Good Afternoon and Welcome to the Weekend!

This years Tax Return filing season starts January 29, 2024. I am including a video tax tip the members and families in your organization can view on how to file their return electronically for free. The video link below is available in 8 different languages. I am also including social media images and tweets that you can share on your social media.

- #IRS Free File is available now on IRS.gov for taxpayers to prepare and file their 2023 #IRS tax returns. If you're looking for money-saving filing options, check out: <https://ow.ly/KkGe50QqtuE>
- If you made \$79K or less in 2023, you can do your taxes now with Free File on IRS.gov. The software will submit your taxes once #IRS officially starts the filing season on Jan. 29. <https://ow.ly/KkGe50QqtuE>
