THE TRAVELLIN' SEABEES

Oh we are the travellin' Seabees,
We're really in the groove,
We're craftsmen skilled to work and build,
But all we do -- is MOVE!

We square off our bunks or our hammocks,
And feel like staying a year,
But a week passes by and we hear with a sigh,
"Pack up your sea-going gear!"

We are the travellin' Seabees,
Who go wherever we're sent,
But the way we move in and the way we move out,
We'll never be bothered with rent!

Yes, we are the travellin' Seabees –
Be it Pullman or transport or scow,
If it comes a bit near, we will give it a cheer,
And it won't leave without us, somehow.

We are the travellin' Seabees
Who'd love to get in a rut,
But if ever they say "We are here to stay",
Why brother, it's Scuttlebutt!

Oh we are the travellin' Seabees
Who never will go stale;
The only thing that worries us,
Is – where to send the mail?

If ever we do get settled down,
Twill seem like a vacation;
But we agree 'twill also be
The end of the Duration!

Communications is an extremely important part of managing any cohesive relationship, whether it's between two individuals or an army. The NSVA is NO different! Even though the Island level is a semi-autonomous part of the larger group (in some cases a Department in our case) it is imperative that good communication paths are established and maintained. Good communications flows BOTH ways. This page was created to prompt the listed individuals or anyone knowing their status to contact us at the number or email address listed above. Please help close the gap by providing updates on Island member status, updated Island contact and Officer information etc. If you provide us the information, it will not have been a waste of your time, you can take that to the bank.

NSVAA National President Communication

Hello to all,

There was an election of 2019-2021 National Officers at the 2019 Minnesota Convention.

Your officers are:

President: Betty Nelson

Vice President: Lorraine Santo

Secretary: Elaine Coffin

Treasurer: Linda Schmuck

Chaplin/Historian: Linda Hillyer

Parliamentarian: Carol Parker

Thank you for accepting your position, Congratulations.

This was a very busy working year for the NSVAA. The By-Laws were reviewed with detail to get a clear copy ready for placement on the website. This will provide current accessibility for everyone to have a copy without delay. When revisions and amendments are submitted and voted on, the update will be posted. These changes would be reviewed twice a year.

The NSVAA assists the NSVA throughout the convention. Our major commitment is the Memorial Service to honor the NSVA/NSVAA members that have passed away over the prior year. For the last 10 years the NSVAA has respectfully taken the honor to organize and recognize these dedicated members through the memorial service. As "We Remember"

The NSVAA application is on the website for new members. It is convenient to access under the NSVAA tab for membership. We have started some social media ventures to have a better communication with our members. We feel that the more information that can be disbursed the better. We have FACEBOOK page **Navy Seabee Veterans of America Auxiliary**. So, if you are on Facebook please like our page. I am sending out monthly e-mails with current updates, Island community events and Veterans info when available. We are currently updating the mailing list to correct addresses and e-mail addresses. If you do not receive an e-mail please us know. All officer contact information is on the website. My e-mail is bettybud2000@aol.com. Feel free to contact me or any officer with concerns or questions.

Respectfully,

Betty Nelson, NSVAA National President 2019-2021

Food for thought: "Our brains are like a closets. Over time they are filled with things we no longer use – things that don't fit. Every once in a while, they need to be cleaned out." How true is this! A big part of the change process is to be able to walk away from outdated beliefs and practices.

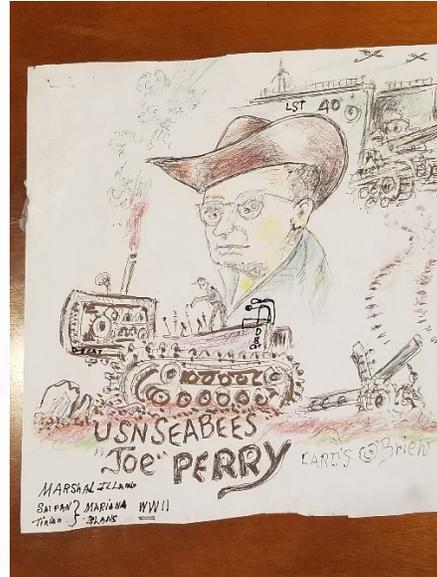

Simply stated, whatever we accept and believe determines how we behave...and how we behave determines what we achieve (or don't achieve). Regardless of our good intentions, we're all susceptible to flawed thinking that eventually leads to flawed results.

ISLAND HOPPING

In the June, 2019 issue the editor was negligent by not including the pictures below of **Seabee Joe Perry** in the True Hero's article by Roger LeBlanc CDR Island X-4 Laconia NH. We apologize for this oversight. EO-3 Lorenzo "Joe" Perry was a Heavy Equipment Operator in MCB-110 on the Island of Tinian. There he helped build the runways for the B-29 Superfortresses that shortened the war immensely.

Island X-1 Tennessee, 5th ANNUAL All Seabee Reunion Picnic

On August 10th 2019 a gathering of 3 generations of Seabee took place at the 5th Annual All Seabee Reunion picnic. Participating was one of the oldest Navy Seabees, Mr. Roy Pennington. Seabee Roy was 1st a Beaver, which was later changed to Bobcat and then to the name we cherish today "Seabee". Roy has been a Seabee for 77 years ("Once a Seabee, Always a Seabee") has to be his motto.

This annual event had Past and Present Seabees joining together to share their companionship and stories. A great and memorable time was had by all attendees. 1st pic. 3 generations R. Pennington, EO4 Tyler Woodward, Korean Bill Fisher. 2nd pic R. Pennington & D. Howard, 3rd pic. The Picnic/Reunion attendees.

Once a SEABEE, Always a SEABEE

As November approaches and the air cools and Important Date comes into play. The Date is Tuesday November 5th, Election Day. To ALL my Seabee brothers and sisters, I just want to reiterate; we placed our lives on the line to protect the right to VOTE. It doesn't matter the party or individual you cast a ballot for, what truly matters is that you exercise your right to VOTE. If you hesitate to; what good have ALL our fallen brothers and sisters paid the ultimate price for????

The Navy Seabee Veterans of America over the past few years have found it difficult to provide current and reliable information around the suppliers from which Seabee Regalia and uniform accessories can be purchased During the 2019 Convention this issue was discussed and it was determined that NSVA Island X-1 ships store in Gulfport MS could and would provide all the necessary and required Regalia. The 2019 National Convention was a Great success. Seabees from 5 districts where present representatives from Departments, Islands and At Large Battalions were on hand to participate in all Convention functions. Many new relationships where established and many more renewed. It was great to meet Seabees that you may have talked to on the phone or exchanged emails with (nice to put a face with a name so to speak). The comradery and kinsmanship exhibited and forged at the Convention meetings, hospitality room, meals and excursion trips were amazing. Everyone grew a little closer forming friendship and communication bonds that will last and last. The full Convention minutes will be posted on the NSVA website soon.
